## KEEPING OUR COMMUNITY CLEAN AND TIDY

▲ PHOTOS: Just two of the new litter bins recently secured in Windmill Ward and one of our recent litter picking sessions.

We are pleased to have secured **new litter bins** in Windmill Ward recently, including new bins outside Grange Primary Academy, Kettering Buccleuch Academy, Ronald Tree Nursery School and also in locations such as St Mary's Road and Windmill Avenue. These new bins will make a useful contribution towards tackling litter nuisance in our community.

**Cllrs Robin and Carolyn Carter** say:

*"This investment in additional litter bins is a wonderful project that can help us to enhance our community and environment by supporting and encouraging everyone to keep it clean and tidy from an early age upwards."*

## TACKLING SPEEDING NUISANCE

Using feedback from residents, we will be reviewing areas to best place the speed device, working alongside Kettering Town Council and other partners such as Northamptonshire Police and Highways.

The device (seen in photo above) moves around the Ward to visually remind drivers when they exceed the 30mph limit and helps to contribute towards reducing speeding nuisance.

## REDUCING CRIME AND IMPROVING OUR COMMUNITY

A series of meetings and discussions focussed on **Levelling Up Avondale Grange** have been taking place recently to engage with residents and local groups, giving the opportunity to explore local views and find ways to deliver lasting positive change for our community.

These meetings resulted in a range of issues being raised, the first being anti-social behaviour, knife crime and related issues. Northamptonshire Police helpfully contributed to the discussion and came forward with possible solutions. CCTV has also been installed near the Grange shopping area.

Future meetings will be focused on improving local educational opportunities, skills and employment.

We will continue working to represent the views of the residents we serve, working in partnership with the local Councils, Police and other groups to make our community **a great place to live for all.**

## MASSIVE INVESTMENT IN KETTERING GENERAL HOSPITAL

HM Government has substantially strengthened KGH's finances with a complete write-off of the Trust's £167m debt.

In addition, as promised at the last General Election, £46m is being provided to develop a new Urgent Care Hub on the KGH site and now an additional £350m has been allocated for a major start towards a rebuild of the hospital on its present site.

*Is there an issue you need our help with?*
