INVESTING IN OUR ROADS AND PAVEMENTS

▲ PHOTOS: Resurfacing has been completed on Rockingham Road and the old uneven pavement on Pennine Way has recently been resurfaced.

North Northamptonshire Council's Conservative administration continues to invest in improving our local roads and pavements.

Rockingham Road has now been resurfaced and the jutting kerb near to the Britannia Road junction, which was presenting a hazard for drivers and cyclists, has been removed. Elsewhere in Clover Hill Ward, the old uneven pavement on Pennine Way has also been resurfaced.

Your local **Conservative Listening Team** has been lobbying on your behalf to secure these improvements for several years.

KEEPING OUR COMMUNITY CLEAN AND TIDY

We will continue working hard on your behalf to keep our community clean, tidy and safe for all, including regularly picking litter to help keep our streets clean.

Lesley Thurland, one of your local Listening Team, has been doggedly reporting ongoing fly-tipping nuisance in our terraced streets to Clover Hill's current councillors on behalf of concerned residents.

We will continue to lobby Clover Hill's elected councillors on your behalf to ensure that local issues such as fly-tipping and litter are promptly resolved.

COMMUNITY FUN!

Head down to Vinyl Records, 12a Market Street, Kettering on Saturday 23rd April from 12 noon. They will be celebrating Independent Record Store Day with live music at their café!

NOT JUST HERE AT ELECTION TIME!

MAPLEFIELDS COMMUNITY CENTRE UPDATE

The planning application for the former Maplefields School site was recently approved. This development will deliver 7 houses and 7 bungalows and in time will allow the adjacent hall to be connected to utilities. Once the hall is connected to power and water, it can then be refurbished to allow public use.

The committee is always looking for new volunteers to help support this great community project.

- 3 Push for further improvements to our local roads and pavements.
- 4 Continue working tirelessly to secure a community centre for the benefit of All Saints and Brambleside.

MASSIVE INVESTMENT IN KETTERING GENERAL HOSPITAL

(Image source: BBC)

HM Government has substantially strengthened KGH's finances with a complete write-off of the Trust's £167m debt.

In addition, as promised at the last General Election, £46m is being provided to develop a new Urgent Care Hub on the KGH site and now an additional £350m has been allocated for a major start towards a rebuild of the hospital on its present site.
