INVESTING IN OUR ROADS AND PAVEMENTS

▲ PHOTOS: The resurfacing and line painting recently completed in Rothwell.

North Northamptonshire Council's Conservative administration continues to invest in improving our local roads and pavements.

Greening Road, New Street, Nunnery Avenue and surrounding streets in Rothwell are just some examples of roads that have been resurfaced recently in Rothwell and Mawsley Ward. We have also secured the long-awaited repainting of local zebra crossings.

Your local **Listening Team** has been lobbying on your behalf to secure these improvements for several years.

KEEPING OUR COMMUNITY SAFE

We are really pleased to announce that the Rothwell area now has its own dedicated PC and PCSO! We will continue to work closely with local Police and partner organisations to keep local crime issues high on the agenda.

We have been able to secure continued visits from the Northants Police 'Beat Bus' which gives residents the opportunity to meet with local Police and discuss their concerns and queries with them.

Your local Conservative councillors lobbied for funding to purchase the Parking Buddies, which are helping to raise awareness and encouraging people to park appropriately and safely near Rothwell's Schools.

VILLAGES UPDATE

We continue to work hard on your behalf to ensure the views of all our wonderful villages are represented:

- Regularly representing people's comments and concerns about local Planning matters, not least the ongoing concerns about the travellers site south of Loddington and other matters of concern.
- Working to ensure rural roads receive attention from local Highways when required.

COMMUNITY COMES TOGETHER TO HELP UKRAINIAN LORRY DRIVERS

Our amazing local community came together recently to support Ukrainian truckers who had become stranded on the A14. Local councillors **Joseph Smyth, Karl Sumpter and Philip Hollobone MP** worked closely to co-ordinate the delivery of donations and to secure a solution that allowed the truckers to return home safely. **Thank you** to everyone that helped.

NOT JUST HERE AT ELECTION TIME!

MASSIVE INVESTMENT IN KETTERING GENERAL HOSPITAL

(Image source: BBC)

HM Government has substantially strengthened KGH's finances with a complete write-off of the Trust's £167m debt.

In addition, as promised at the last General Election, £46m is being provided to develop a new Urgent Care Hub on the KGH site and now an additional £350m has been allocated for a major start towards a rebuild of the hospital on its present site.
