## CAMPAIGN SUCCESS: KETTERING LEISURE VILLAGE SAVED!

We are delighted to report that the Lighthouse Theatre, Arena Sports Centre and Balance Health Club will now remain open, thanks to positive and effective action by Conservative-led NNC. We would particularly like to recognise the efforts of the KLV Support Group who came together following the threat of closure.

Local councillors worked tirelessly with supporters of KLV to find and secure a solution that safeguards these brilliant facilities, for the benefit of the many thousands of people that use them. We will continue to do so.
