TACKLING SPEEDING IN OUR COMMUNITY

▲ PHOTO: The new speed indicator device on Pytchley Road

We are pleased to have secured grant funding from Kettering Town Council to deliver a new speed activated warning sign on Pytchley Road, working together with ward colleagues. Residents have contacted us to express their concerns about continued speeding in the area. These signs have proved to be effective when used elsewhere and should hopefully help to alleviate speeding incidents at this location.

We will continue to work tirelessly to serve the residents of Wicksteed Ward and ensure that local issues are represented and resolved on your behalf.

KEEPING OUR COMMUNITY CLEAN AND TIDY

Your local Conservatives regularly litter pick around our community, including successful sessions in the Headlands/Broadway area and in Barton Seagrave. We were pleased to join the recent pick organised by Barton Seagrave Parish Council.

We will continue working hard on your behalf to keep our community **clean, tidy and safe** for all and also shout out groups like the Kettering Wombles and Keep Kettering Tidy, who do such a sterling job locally.

TACKLING FLOODING ISSUES

We have been working hard to represent the concerns of residents that have been affected by flooding in the area near the East Brook Culvert and to identify solutions for this recurring issue. We will continue to do so on your behalf.

Always working hard to ensure your views are represented!

DELIVERING YOUR LOCAL PRIORITIES

We will continue to:

- 1 Strive to keep our community safe, clean and tidy.
- 2 Fight for the retention of vital local bus services.
- 3 Push for improvements to our local roads and pavements.
- 4 Represent your views and concerns about local planning matters.

CAMPAIGN SUCCESS: KETTERING LEISURE VILLAGE SAVED!

We are delighted to report that the Lighthouse Theatre, Arena Sports Centre and Balance Health Club will now remain open, thanks to positive and effective action by Conservative-led NNC. We would particularly like to recognise the efforts of the KLV Support Group who came together following the threat of closure.

Local councillors worked tirelessly with supporters of KLV to find and secure a solution that safeguards these brilliant facilities, for the benefit of the many thousands of people that use them. We will continue to do so.

EGGCELLENT TEAMWORK!

North Northamptonshire councillors recently teamed up with the Light Blue Lodge in Kettering to donate just under 200 Easter eggs. These were given to NNC's looked after children.

NOT JUST HERE AT ELECTION TIME!
