NEWS FROM YOUR LOCAL CONSERVATIVES

DELIVERED: "RABBIT ROUNDABOUT" RESURFACING

▲ **Photo:** Local Conservatives have secured resurfacing for the Rockingham Road roundabout on behalf of residents.

We have been pushing for much-needed resurfacing at the main A43/A6003 roundabout since at least 2019 and are therefore pleased to see that work has now taken place. This follows our successful campaign for resurfacing along Rockingham Road entering town. We have similarly pushed for vital, long-overdue resurfacing along Carriage Drive. Please continue to report local highways issues on the NNC FixMyStreet website so repairs and resurfacing can be prioritised and actioned.

Thanks to **good financial management** by NNC's Conservative administration, a further £1.5 million has now been allocated towards local road repairs.

**CAMPAIGN SUCCESS:**  
**KETTERING LEISURE VILLAGE SAVED!**

▲ **Photo:** Positive and decisive action by local Conservatives, working together with the community, helped to save this important facility.

We are delighted to report that the Lighthouse Theatre, Arena Sports Centre and Balance Health Club will now remain open, thanks to positive and effective action by Conservative-led NNC. We would particularly like to recognise the efforts of the KLV Support Group who came together following the threat of closure.

Local councillors worked tirelessly with supporters of KLV to find and secure a solution that safeguards these brilliant facilities, for the benefit of the many thousands of people that use them. We will continue to do so.

**MASSIVE FRESH INVESTMENT IN**  
**KETTERING GENERAL HOSPITAL**

HM Government has reconfirmed to Kettering MP Philip Hollobone that KGH's place in the national New Hospitals Programme is secured with a £400m+ fully-funded, redeveloped, improved and expanded hospital due on the existing site by 2030.

With main construction due to start on schedule in 2028, initial early enabling works are **already under way** and the construction of a £34m net-zero new energy plant for the expanded hospital is due to start in spring 2024. The larger hospital will include a new urgent care hub to replace and enhance the existing A&E.

Kettering MP Philip Hollobone has been tirelessly pursuing this extra funding and is working closely with KGH itself to ensure the development proceeds as quickly as possible.

**TACKLING FLOODING ISSUES**

Local Conservative councillors have been working hard to represent the concerns of residents that have been affected by flooding in the area near the East Brook Culvert and to identify solutions for this recurring issue. We will continue to do so.

**Always working hard to ensure your views are represented!**

# A record of action in Clover Hill Ward...

1

Secured the much-needed upgrade to the Prologis Park footpath.

4

Secured much-needed resurfacing at Brambleside shops.

3

**TACKLING PARKING ISSUES:**  
1. Secured expanded residents parking in St. Andrews Street.  
2. Secured removal of parking restrictions on Stamford Road to allow resident parking.  
3. Worked with residents at Brambleside Court to deliver solutions for parking nuisance.

Regularly removed fly-tipping, litter and graffiti around the area.

Secured a tidy up of the Milton Court green space.

Secured the speed indicator device, which moves around our area to combat speeding.

Not just here at election time! Local Conservatives have been canvassing across the Constituency recently, visiting residents and listening to their concerns.
